Dear Harold,

Happy Holidays. Hope you are both doing well. Enclosed find JFK related news clippings. Could you comment on the articles pertaining to JFK limiting the CIA in VietNam and his plans for an early exit?
Just purchased the Warren Commission 26 volumes and report on CD Rom. It is amazing what can be fitted on a CD Rom. Bought it from Andy for $85. Also purchased a printer for my computer so I am printing the volumes one at a time. Just started reprinting and reading testimony Rankin received from Marina. Am on vacation now till 1/5/98 so I've been watching some of my JFK videos namely Frontline from 1993 Who was Oswald? Spoke to Mike Stanke by phone and he sends you both his regards. Was also wondering what you've been up with writing and reading. Are you stillable to walk this w-inter? Our weather has been mild here because of ElNino.

Have a blessed Holiday Season and a healthy New Year.

Scott
